HG dashboard spray shine finish

HG "dashboard spray shine finish" cleans, restores gloss, intensifies colour and protects all sorts of plastic, rubber, vinyl and leather. HG "dashboard spray" is ideal for maintaining the complete car interior, including the dash-board, door upholstery and decorative strips. HG "dashboard spray" has a fresh aroma and is fast and handy.

Directions for use:

Shake before use. Hold the can upright and spray the surface thinly and evenly from a distance of about 20 cm. Do not leave to dry, but wipe immediately with a clean, dry and lint-free cloth. For places that are difficult to reach, first spray HG "dashboard spray" onto a cloth and then clean the surface.

Attention: Transport and store the bottle upright. Do not use on the steering wheel, pedals or seats as the surface will become smooth. Avoid contact with windows.
